PAYMENTS

FUNDRAISING Fundraising efforts will take place throughout the year to defer the cost of youth programming. Youth in grades 6-12 that participate in fundraising activities will receive a portion of the funds to apply to summer trips and camp opportunities. You will be notified by Emilie as to your child's balance in mid February when all fundraising efforts have been completed for the year. Typically this balance is between \$200-\$400 but will depend on the fundraisers that your child participates in.

SCHOLARSHIPS Scholarships are available for those who wish to apply. We do not want anyone to be turned away from an opportunity due to cost. Contact Emilie for a scholarship form or to talk through payment options.

PAYMENT PLAN If you wish you set up a payment plan with Emilie, please arrange the plan with her. Some families wish to put \$20-100 into their child's account every month leading up to the trip or camp rather than pay everything when the due date occurs. If this works best for you, you must commit to the trip/camp by registering and making a non-refundable deposit. Payments can be turned into Emilie as you desire and the balance on your child's account can be obtained at any time. In the event that you have overpaid for a trip or experience, you will receive the difference in the form of a check from Valley of Peace.
