AUGUST MISSION OF THE MONTH

Our Mission of the Month for August is Noble Elementary School. We are collecting both **school supplies and monetary donations**.

Please drop your **school supplies** off in the **Giving Center baskets**, right inside the lower level door. Needed items include:

backpacks	lunch boxes
pencils	notebooks
folders	dry erase markers
crayons	pencil boxes

Monetary funds collected will go to purchasing gift cards. The school social worker can use these to assist families who need a little extra to purchase jackets, shoes, backpacks and other needed items to give their child a good start at school this fall.

Any questions? Contact Dee Kendall or Barb Mikelson.

Let's fill those baskets in the Giving Center!

Thank you for your generosity, VoP!

LOWER LEVEL PROJECT UPDATE

- *Response to Request for Proposal (RFP) pre bid walk through on Tuesday was outstanding.
- *Five of the Six General Contractors (G C's) invited participated . The GC's brought along a number of sub-contractors with specialties in electrical, mechanical and plumbing. We had about 30 people checking out everything from power panels in the boiler room to exhaust vents on the flat roof tops!
- *A number of questions were asked of our Architect to which they will be responding . Any additional questions or site visits will take place by Aug, 21st.
- *RFP responses and proposals by interested G C's are due by August 28th.
- *If the response to the initial walk through is an indication there appears to be real interest in VoP's Lower Level Improvement project.

For the Lower Level Team,
Dave Gilyard

PAINTING HELP NEEDED TODAY!

The Learning Center transition is upon us and we need volunteers to paint the lower level **TODAY after church!**

Sunday we will tape the newly painted walls along each of the 24 pillars in the hallway so we can paint the pillars a different color. We can use many hands to remove Saturday's tape and paper and to apply tape along the pillars. That should not take very long. Although we need 4 Sunday painters so no one has to work a long time, there is room for many painters, depending on how many brushes we want to clean. Lunch will be provided.

See you downstairs following worship! Just look for Steve Hoge.
