A Word from Pastor Ashley

October is a busy month at Valley of Peace! We have many special events, celebrations, and are settling into the rhythm of ongoing programming, rehearsals, and gatherings.

One of the many things happening for us in the month of October is our Reformation Sunday Worship on Sunday, October 25. During this service, we will celebrate the Rite of Confirmation with our 9th grade students and their families.

On Reformation Sunday, we give thanks to God for our young people who are discovering what it means to live in God's love. They are learning, asking questions, trying things out, and finding their own ways of being part of this faith community. On Reformation Sunday, we remember that the church is not a finished thing. It is always being renewed, always being invited to listen more deeply, and always being called to trust that the Holy Spirit is at work among us.

But what is renewal doesn't always mean doing something new?

“Living in God’s love and compassion, we are called to be disciples of Jesus Christ, as the Holy Spirit works through us for healing, justice, and peace.”

A Word from Pastor Ashley

This has been a full year at Valley of Peace. We have experienced loss, responded to the needs of our neighbors, celebrated the completion of our kitchen, and continued the ordinary and extraordinary work of being church together. We have given our time, our attention, our generosity, and our care.

And perhaps, in this season, we are also being invited to receive. To receive the love of God that does not depend on our productivity. To receive the gift of one another without needing to accomplish anything. To remember that the church belongs to God, and that God’s work does not depend entirely on us.

In the Gospel of Matthew, Jesus says, “Come to me, all you that are weary and are carrying heavy burdens, and I will give you rest.” I hear this invitation not as a command to do one more thing well, but as permission to set some things down.

For two weeks in October, I will be taking some time away. I will spend one week doing continuing education and another week enjoying some time with family. I am intentionally focusing on restorative rest. I am looking forward to making room for renewal, not simply so that I can return ready to do more, but because rest is itself a gift from God. And, a special thank you to Pastor Wes Syverson who will be available for pastoral care while I am away, and the many other rostered leaders in our church who will be leading Bible Studies and Worship Services while I am away.

I will say it again, rest is itself a gift from God. Perhaps that is a gift we can practice together. Let us make room for quiet, for joy, for unhurried conversation, and for the simple assurance that we are beloved, just as we are, and we do not need to earn or accomplish God’s gracious presence and love. This is a promise and a practice that was proclaimed during the Reformation and one that we continue to live by today.

In this season, may you too find rest in the days ahead. May you know that you do not have to carry everything, fix everything, or accomplish everything. You are loved just as you are and you are called to trust and rest in this promise.

Yours in Christ,
Pastor Ashley

Neighborhood Coffee & Conversation at Valley of Peace

Since the COVID pandemic, many have noted that we have an epidemic of loneliness in our communities. After being isolated for months, it seems that we may have forgotten how to exercise our most basic social muscles.

If you find yourself lonely, in need of conversation partners, or just wanting to know your neighbors better, please join us at Valley of Peace Lutheran church for a weekly time of coffee and conversation. No obligation, no expectation. Just show up when you are able, share a warm (or cold) beverage and chat with whoever else shows up.

Come by yourself or invite a friend. We'll have the coffee on! Beginning Wednesday, Nov. 11, 2026.

Every Wednesday morning, 10:00 – 11:00 am

Valley of Peace Lutheran Church, 4735 Bassett Creek Drive

Fireside Room – second floor, accessible by elevator or stairs

In the same spirit of hosting “Java for Mamas and Papas”, if you are interested and available to help with hosting our neighbors - occasionally, frequently, or regularly - please let Laurie Eaton know!

Thank you, VOP!

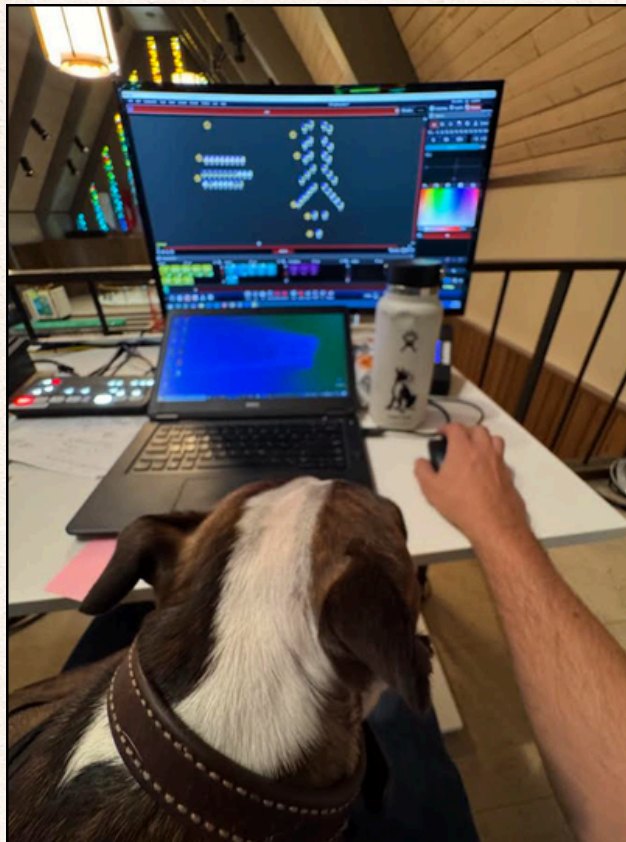

Let There Be Light... on the cross!

The cross in the sanctuary is getting the spotlight it deserves! We have recently added some new lighting in the sanctuary so that the cross about the altar is now fully illuminated. We have also added some additional light at the front of the sanctuary for music conductors and musicians.

This is a simple addition, but it makes a huge difference! The cross is one of the most visible symbols in our worship space.

A huge thank you to Matt Dellwo (and his dog Mozzy) for installing the new lights. And a thank you to all VOP members for your patience as we worked through this update and for helping to make it possible through your financial support.

I am grateful for this simple addition that helps draw our eyes toward the cross and reminds us, week after week, of the love of Christ at the center of who we are as a church.

Confirmation & Reformation Sunday

On Sunday, October 25, we are celebrating Reformation Sunday. We give thanks for the work of the Spirit in always moving and reforming our church!

We invite you to wear red on Reformation Sunday to remind our whole congregation of the fire of the Spirit that continues to move in our midst.

We look forward to worship this Sunday where we will celebrate the confirmation of three young people:

Get Out the Vote- Citizens for Affordable Health Care

Wherever we stand on political issues of our day, we are all aware that the upcoming election is of critical importance. For Christians, the vocation of citizenship calls us to participate in creating communities that meet the needs of all of our neighbors. One of our most important rights in the United States is the right to vote. Join with others to have fun and raise awareness about the importance of voting as we march together in Plymouth on Parade, on October 10! Many of our VOP families live in Plymouth, and this is a community event open to the surrounding area.

Focusing on the issue of affordable health care for all, our goal is to urge people to vote for candidates who are willing to listen to citizen concerns and create solutions that work for all Minnesotans. We are planning a Halloween theme to highlight that everyone has a body that needs access to affordable care. Imagine skeletons and zombies with signs saying, “Dying for affordable health care!” or a giant band aid with a sign that says, “a band aid isn’t sufficient.” Every candidate for public office should be asked the question: “What will you do to ensure that every Minnesotan has access to affordable health care?” This idea grew out of the Public Discipleship for Such a Time as This series, with participation from about 25 of your fellow members.

We aim to have 50 people – members, families, and friends – participating with us.

Here are the details:

Saturday, October 10 – Plymouth on Parade

Start lining up at 9:00, parade begins at 10:30am

- Parade is approximately one mile long – we will have a float, so we can accommodate both walkers and riders!
- A family friendly, non-confrontational way to encourage everyone to exercise their right to vote, and to encourage candidates to listen to their constituents

Please sign up to participate on the sheet in the narthex. Invite your friends and family. A group sign-making event will take place on Sunday, October 4, following worship.

If you have questions, or creative ideas you want to contribute, please contact Lona Froyum, Joyce Wilson, or Laurie Eaton. We have teams responsible for creativity, messaging, songs and chants...there’s plenty of room for you!

BIBLE STUDY: Bold Faith on an Unexpected Journey

October- Session Two: Love & Loyalty: A story of connection and courage Ruth, a Moabite widow, chooses to remain with her mother-in-law Naomi and step into an unknown future. Her bold faith is revealed in loyalty, courage and openness to God's provision. In Ruth's story, we see how God weaves love, community and promise through even the most uncertain paths. This session invites participants to reflect on the risks of faith, the gift of relationships and the ways God works through everyday loyalty to bring forth extraordinary love.

Gozo/Joy Salsa Fest!

The Racial Justice Team at Valley of Peace is excited to host a benefit event for our companion congregation, Tapestry Church, a Lutheran Hispanic ministry in Richfield that has been deeply impacted by Operation Metro Surge. We've heard and read the stories of fear, lost wages, aggressive deportations and detentions; but our siblings in Christ in the Tapestry community have been directly affected. Our aim is to provide a FUN opportunity to gather, get-to-know one another, and provide support for our companions in Christ. Free will offerings will go directly to Tapestry.

On Saturday, October 24th, from 3pm - 6pm, you and your family are invited to experience live Latin music and dancing, enjoy authentic "South of the Border flavors" catered by members of the Tapestry community, and browse the Artisan Boutique for handcrafted items. Tapestry dancers will be on-hand to provide Salsa dancing instruction, if you like. All ages are invited to participate in a community art activity! Invite friends and neighbors as well to this indoor/outdoor event! You may also contribute to Tapestry at Valleyofpeace.org on the "Give" tab, including Tapestry in the memo.

2026 Habitat Project Complete!

Our VoP Habitat Team worked for three days (9/16-9/28) on a new build in Minnetonka. We were busy with cleaning, foam spraying, siding, erecting wall sections, painting, flooring and miscellaneous projects. 18 Valley of Peace members and 7 "friends" volunteered over that span. Thanks to Pastor Ashley for providing lunch on Wednesday and thanks to Barb Mikelson for lunch on Thursday. We had a Thrivent Action Grant that paid for donuts daily and for pizza on Friday.

Thanks to folks who donated money to our effort. We raised at least \$5,325, surpassing our goal of \$5,000. Thanks to memorials for Neil Peterson, we started off with a good amount. You can still make donations to our "Mission of the Month" through the end of September. Just write "Habitat" in the memo line or go online and designate your gift. Any monies left over after we send Habitat their check will stay in the account and be used in 2027.

Thanks to Craig Franz for serving as co-coordinator with me.
